

A man wearing a grey cap and sunglasses is holding a large brown trout in a river. The background shows a lush green forest and mountains. A semi-transparent circular overlay is centered over the man and the fish.

6 NIGHT/ 5 DAYS FISHING

FISHING TRIP

TRENTINO

**SARCA &
CHIESE
RIVER**

***500 kilometers of water
to fish, more than 100
lake! here you can find
the queen of the river,
the majestic marble trout.***

FISHING

The Dolomites are the perfect location for enjoy a week of fishing, from the start of april to the end of October the fishing are great in this area. here you can find : marble trout, brown trout, grayling, arctic char, brook trout.
